

Funk The mall

Hey you people - - Back in the hall
We're gonna get down - - And funk the mall

People always ask what the recipe is
Well it's as easy as taking a p
Take a foundation of drums exactly 200 pounds
And turn it up and hear how groovy it sounds

Funk in the bass pound to pound with a tablespoon jazz
And see the crowd already shaking their ass
Mix in the guitar with some rhythm and blues
And everybody will jump into their shoes

'Cause
Hey you people - - Back in the hall
We're gonna get down - - And funk the mall

Now you got dough with a tasty groove
But there's some things you can still improve
Take Lars von trommenstick - - Tutte Max - - And Mr. Chris Grey
And give us coffee If you want us to stay

Call all your friends get them on their feet
'Cause there's a special place down the street
'Cause we're gonna have a party
We're gonna have ball
We're gonna have a party at the mall

'Cause
Hey you people - - Back in the hall
We're gonna get down - - And funk the mall

Hey you people - - Back in the hall
We're gonna get down - - And funk the mall
And funk the mall
